STAY SPECIAL NOT A BULLY, BUT A FRIEND

Number of students subjected to violence
at school (720 million)

One third of 13-15 year old students
get involved in physical violence

Three out of ten students say
' i am a bully at school'

*Stay special: Not a bully,
But a friend*

"What you lived
may not be your
choice, but
what you give
someone else is
your choice."

My pain may be the reason
for somebody's laugh. But
my laugh must never be the
reason for somebody's pain.
Charlie Chaplin
